

# *JW Photography* "Drawing With Light Studio"

***That special time in the lives of high school seniors and the images that can tell a story of their lifetime is what JW Photography does best. One on one, classic, natural portraiture with a modern flair. We work in studio or take the show on the road. It's all about you...It's about having fun, styles that reflect you: Quirky, fresh, unconventional, very cool!***

## ***The Experience***

You're an original. You'll find that the JW Photography portrait session to be in sync with your style. Once you've booked your session, Jake Watkins or Maria Blanco will consult with you— What's the look and the feel that you want for your portraits? Outdoors, Indoors? Both? What to wear? What to bring? etc.

## ***Senior Products - Oh yea! We got it!***

From Wall portraits to Personalized graduation announcements, personalized Thank You cards, Collages, Borders, Canvas Wraps, Metal prints, special backgrounds, Bevel Mounts, Metallic paper, sprays, black and white or sepia. You name it... Your portraits are a ***work of art.***

## ***Get ready for the Photo Session***

We come fully prepared with the best in commercial digital equipment. From casual to formal, sleek and sophisticated, trendy to glamorous...change clothes, bring your favorite music, mementos, musical instruments; Friends for support. .Remember it's all about you. It's a fun, energetic photo session that will bring out the star in you.

## ***The Viewing***

You and your parents have a private viewing of your JW Photography Senior Portrait session online or Proof book. We choose the very best of the shoot and do our magic of re-touching and hand-finishing each of your portraits you have ordered based on the package finish you choose from. We'll deliver them personally to you usually within seven to ten business days.
